A Love Story - Joanie Finally Is Home In Garrett County

Hospice of Garrett County was the recent recipient of a \$3,113.00 donation from the Joan Gladow Glime Memorial Fund. Being that Joanie's favorite number was 13, her loving husband, William M. Glime chose this amount to once more honor her wishes! This gracious donation was presented during a beautiful remembrance celebration held at Ace's Run Restaurant after a private interment in Friendsville, Maryland.

Joan G. Glime, wife of William M. Glime, Retired Maryland State Police Sargent, was born and grew up on a farm in Dorchester County, MD, and worked for the CIA and the United States Chamber of Commerce as an Executive Secretary. The Glime's were married in 1964 and spent many years of their life together on the eastern shore, but considered the years in the Garrett County mountains the happiest years of her life. She loved the mountains, scenery, bears and especially her "adopted" Garrett County family. Joan's dream in her final years was to hit the lottery in order to benefit Garrett County Hospice for their patients. She had been a generous donor to hospice organizations throughout Maryland since the 1980's.

"Joanie" grew up on a farm in Dorchester County, MD and she worked the fields of her parents' farms for eleven years. She was not fond of life on the farm and going to school was her refuge. Graduating from Dorchester High as member of the National Honor Society, she was recruited her senior year by the Central Intelligence Agency, leaving the Eastern Shore to live and work in Washington, DC. She always said, "That is when her REAL LIFE BEGAN." She was later hired by the Chamber of

Commerce of the United States. While working at this position, she was one of the hostesses at a reception for President John F. Kennedy after he spoke at the Chamber.

The love story began when Joanie left D.C. to marry William and they spent many years traveling, collecting antiques, and building, remodeling and selling homes that Joanie designed or redesigned. In the 1990's, Joanie and William moved to Garrett County and enjoyed "living their dream" in the mountains. She became a great admirer of the beautiful black bears roaming on and sleeping on their property that bordered the Savage River State Forest.

We are so thankful for the Glime's and for sharing their love story with us. Rest high on that mountain Joanie, you were a good and faithful servant!

Dr. Jennifer Thorn Bentlejewski devoted friend, Joan and William Glime

Thank you to Woodmen Lodge #11 for your incredible donation of food, gift cards and personal hygiene items for our patients! Your generosity was a huge boost for the patients and their families! Bless you all for your support!

The staff at Hospice was graciously gifted a wonderful breakfast during our weekly meeting. This was made possible by our dear friend and board member Pauline Faucett! Thank you Pauline your gift was very much appreciated by all!

Thank You!
